A unique idea of packing whole leaf tea in an easy to use disposable tea infuser. The leaf teas are hygienically packed in a wand type infuser, made out of aluminium foil, a harmless and worldwide accepted packaging agent & every single Silver Magic Tea Wand is over-wrapped with Biaxially Oriented Polypropylene to minimize the loss of aroma and flavour. 12 such silver magic tea wands are packed in a hand made, well designed hand made board box with window.

A gift for tea connoisseurs, to enjoy the whole leaf tea at their convenience.

Available in all pure and flavoured teas.

Product Code	Net. Wt.	Dimension Unit	Mono Carton	Master Carton
